The following color name prefixes are used to identify different paint systems:

- COM = Commodity Polyester (all 10-yr colors)
- SMP = CERAM-A-STAR®
- POL = POLYDURE® 1000
- KYN = TRINAR®

CERAM-A-STAR®, POLYDURE 1000®, and TRINAR® are all registered trademarks of AkzoNobel.

ENERGY STAR APPROVED COLORS ~ Colors indicated with the Energy Star logo have been approved by Energy Star and can help save on your energy costs.

GREEN ~ We believe in helping the environment, which is why all of our steel products are made from 32-59% recycled materials and are 100% recyclable.

LEED POINTS AVAILABLE ~ Our products can qualify for LEED points through recycle content, emissivity and reflectivity ratings and Energy Star.

Actual colors may vary from sample shown, color chips are available upon request. Our colors may not match those of other companies despite the color names being identical. Our colors may not match the color of existing adjacent panels, even if the panels are our standard colors. Please contact your salesperson for complete details.
